25TH TRADITIONAL WEDDING EVENT SEMIŠKA OHČET

Semič, 23–25 August 2019, Semič Tourist Society
Tel. +386 (0) 40 625 148, tic@kc.semec.si, www.kc-semic.si
Experience a different kind of wedding ceremony with a hint of folk customs and traditions while wearing Bela krajina national costumes. In the old days a wedding was the most eagerly anticipated family event. If you visit Semič you can relive the traditional wedding ceremony spiced with the local customs and Bela krajina national costume. Folk dancing and folk songs will delight your eyes and soothe your soul. Your mouth will water as you savour delicious apple strudel prepared for the Štrudfest. Visitors can test their skills at several intriguing workshops. Broaden your knowledge about the traditions of Bela krajina and stop for a moment at our lively market where you can find a wide assortment of unique hand-made local products.

49TH TERAN AND PROSCIUTTO FESTIVAL

Sežana
3 August - 11 August 2019

The coronation of the new Teran wine Queen in Pliskovica on August 3rd is opening the 49th edition of the Teran and Prosciutto Festival, which ends on August 11th with the traditional procession of waggons in Dutovlje. At Bunčetova domačija you will be able to dive into an enogastronomic experience with a series of culinary evenings: from Terra Carsus with Karst master chefs to culinary workshops for children and combining desserts with Teran. Selected winemakers in the area are additionally accompanying wine tasting with live music and stand-up comedy. Check the locations and events at www.teraninprsut.si.

THURSDAYS AT GORNJI TRG, LJUBLJANA

At the crossroads between restaurant **SVETI FLORIJAN** and the newly opened sweet smelling café and boulangerie **MÉNAGERIE** there nests a debauched event line-up. Every Thursday in August Gornji trg will be filled up with jazz musicians, poetry will be read, round tables will stir debates, performance will spark freedom and instead of burgers vinyls will be flipped. When they'll run out of good sounding music, life vocals or synthetic compositions will take their places.
